

# Computer Skills Self-Assessment

Name: \_\_\_\_\_

Date: \_\_\_/\_\_\_/\_\_\_\_\_

<b>Basic Computer Operation</b>	<b>Yes</b>	<b>No</b>
I know how to use a personal computer (moderate proficiency or better)		
I can use a keyboard and mouse		
I can type on a keyboard quickly (know where the home keys are, don't have to "hunt and peck" to key in data)		
I can Startup and Shutdown a computer properly		
I can find and launch specific software programs (i.e. MS Word, Adobe, Safari, etc.) and navigate between them		
I can create folders and access information or files in these folders		
I can save work (files) to folders on the hard disk (hard drive), disk, or USB Flash drive		
I can write files to a CD ("burn" a CD with files from my computer)		
I can print files and documents		
I can exit/quit a software program properly		
I can use either the "Explore", "My Computer", or "Search" function to locate a file on a PC, CD, or USB drive		
I can eject a USB Flash Drive		
I can use Help to get an answer to a question on how to do a task or get information on a topic		
<b>Basic Tablet/iPad/Cell Phone Operation (SKIP if not using)</b>		
I can use the HOME BUTTON, on/off, volume, and audio		
I can use swipe, zoom, select text, insert text & pictures, and copy		
I can find the alphabet, numbers and symbols on the various keyboards		
I can download an APP, music, video or movie		
I can email and attach and save files		
I can bookmark websites		
I can use settings to customize		
I can set up contacts (address book)		
<b>Word Processing Skills</b>		
I can create and save a new word processing document		
I can open and edit an existing word processing document		
I can save an existing document that I have edited with a new name		
I can cut, copy, and paste text in a document		
I can change font style and size in a document		
I can bold, italicize, or underline text		
I can add bullets to text		
I can set text margins (left, right, top, bottom)		
I can set page orientation (portrait or landscape)		
I can run Spelling and Grammar check		

# Computer Skills Self-Assessment

Internet/Web Skills	Yes	No
I can go to a specific web site if given its URL address (www.etc ...)		
I can use a web browser (Safari, Chrome, Firefox, etc.) to follow hyperlinks, move forward, or backwards on a web site		
I can use internet search engines (Google, Yahoo, etc.) to find information or conduct research		
I can download and save files (ie. WORD, PDF files, etc.) to a computer from the internet		
Email Skills		
I have an email address where I am able to send and receive emails		
I can compose and send a new email message		
I can reply to or forward an email message that I receive		
I can attach a file to an email that I send		
I can view an attachment (file) from an incoming email that I receive		
I can save an attachment (file) from an incoming email to a hard drive, floppy drive, or USB Flash drive		
Computer Access		
I have access to a computer (one that I own, belongs to a family member, or friend) that I can use that connects to the internet		
I have access to a computer in a public library, school, or other community location		
I have a USB flash drive, CD, or floppy disk that I can use to transfer files from one computer to another		

Any other skills you would like to learn: (ie. Facebook/Messenger, Photo Management, use the Cloud, Netflix, Maps & GPS, Read/Listen to books, Facetime, Skype, Online Shopping etc.)
